

# Consignment Item Guidelines

## ITEMS WE DO NOT SELL –EXCLUDING FULL ESTATES

We require consignors to bring us **clean, usable, working items** to sell in our online auctions. We achieve very good value for good quality consignments in our auctions. Selling low valued items hurts the overall value of all our consignor items in any given auction. Good items bring good money....yard sale items bring yard sale money.

### Items we will **NOT** sell in our auctions include:

- \* PC games, Burnt CD's or DVD's
- \* Satellite Receivers, Satellite Dishes & Tube Televisions
- \* Older Model Dehumidifiers & Humidifiers
- \* MDF or Pressed wood furniture of any kind
- \* Ripped, Soiled, Broken or outdated Upholstered Furniture (unless antique)
- \* Incomplete, damaged, out-dated or non-functioning lamps
- \* Items with missing adaptors, chargers or other missing parts
- \* Baby cribs, wooden playpens, outdated car seats or booster seats
- \* Outdated sports helmets (unless vintage)
- \* Soiled or damaged clothing
- \* Non-working or broken appliances (vacuum cleaners, toasters, coffee pots, etc.)
- \* Electronics that are password protected (must be reset to factory settings)

Note: Misuse of the Consignment guidelines or abuse of the auction staff will result in your account being suspended.
